## International Day

**Saturday 12 June, 2010** - 11:00 to 16:00  
ISBerne Campus - Gümligen

The event of the year at ISBerne is fast approaching and plans are underway! Stop by the school campus any time during the annual International Day and visit the various country booths. Kids will enjoy the games, from a bouncing castle to sponge throwing and the two ISBerne stages will provide entertainment for the crowds throughout the afternoon. There will be Irish dancing, a jazz band, a fashion show and many more performances to enjoy while sampling the delicious traditional foods from the many country booths

The day begins with the "Parade of Nations", promptly followed by the opening of all food and game booths. Our master of ceremonies will guide us through the day, present the themed baskets for the silent auction, and end the day with the raffle prize drawing! Please check our website regularly for the latest information on prizes and entertainment <http://www.isberne.ch/international-day-2010/>

## A new and useful page for friends of ISBerne!

Did you know that we launched a “useful links” page on our website? We selected local services which we found to be useful for expats in Bern.

Where possible we have provided links to English-language sites or sites with a translation in English. We update this page very regularly, so click on this link now and use it as a reference place in the future

The objective of the FOISB is to develop a deeper connection with the community beyond the school through social activities where ISBerne families as well as other expatriate and local families can participate. There is no membership fee or commitment to attend, only an opportunity to meet new friends and have fun. Everyone is welcome to participate and encouraged to suggest ideas for future activities.

If you have any questions, suggestions or ideas, send us an email at [friends@isberne.ch](mailto:friends@isberne.ch)
